

GGYC Summer Youth Employment Opportunities 2024

Camp Counsellor and Academic Tutor Positions

Positions available for one or two candidates in each of the following roles:

- Music & Dance
- Creative Arts & Crafts, Eco-Arts
- Computer Programming, Coding & Robotics
- Cooking & Nutrition
- Digital Marketing/Photography/Videography
- Multi-Sport: Basketball
- Multi-Sport: Soccer
- Multi-Sport: Volleyball
- Multi-Sport: Table Tennis
- Cricket
- Academic Tutoring: Maths
- Academic Tutoring: ESL/English
- Academic Tutoring, Science: Biology
- Academic Tutoring, Science: Chemistry
- Academic Tutoring, Science: Physics

Introduction:

Embark on a rewarding journey with Go Green Youth Centre this summer, enriching the lives of Thorncliffe and Flemingdon Park youth. Our diverse summer opportunities span arts, technology, culinary arts, media, and sports, alongside specialized academic tutoring in Maths, ESL/English, and Sciences. As a valued team member, you'll leverage your passion and expertise to foster a nurturing environment where young minds can explore their interests, develop new skills, and achieve personal growth. Join us in making a difference and shaping a brighter future for our community.

About Us:

Go Green Youth Centre is a non-profit organization empowering marginalized youth by providing various free educational and recreational programs. Located primarily at Valley Park Middle School, with additional activities at Marc Garneau Collegiate Institute and Thorncliffe Park Public School, our mission is to combat poverty and foster empowerment among the youth of Thorncliffe, Flemingdon Park, and surrounding areas. Through our diverse offerings, we strive to create opportunities for personal growth and community engagement for the young people we serve.

Impact Report: <https://www.ggyc.ca/impact-report-2023>

All roles overview:

Our expansive mission at Go Green Youth Centre extends to teaching core subjects to children and teenagers aged 7 to 18. Our instructors and tutors engage students in learning through clear explanations, answering questions, and providing homework support. This role now encompasses sports and recreation, aiming to develop our youth's intellectual and physical skills. This integrated approach fosters a well-rounded educational environment, encouraging growth, understanding, and enthusiasm among students in both academic subjects and athletic activities.

All roles' requirements:

- Candidates should be high school or post-secondary students for all roles.
- We might request a teacher or professor's recommendation letter.
- Must be a Canadian citizenship or Canadian Permanent Residency required.
- A solid grasp of your role's fundamental concepts.
- Effective English communication skills.
- Ability to break down and teach concepts simply.
- Comfortability with teaching diverse age groups, whether one-on-one or in small groups, is also essential.
- Adaptability to both lead activities and work collaboratively within a team.
- Willingness to participate in training sessions or workshops related to your role.
- A proactive attitude towards creating a positive and inclusive learning environment.
- Flexibility in scheduling, including availability for the entire program duration.
- Familiarity with or willingness to learn about child safety and first aid procedures.

Employment Details:

- Duration: 8 Week of employment during Summer
- Date: June 24 - August 16
- Shift: 7 hours a day; 35 hours a week,
- Fixed Hourly Rate: \$16.55/hour.
- 30 minutes unpaid lunch.
- Scheduled Shift mainly on Monday to Friday but not limited.
- Shift availability all days: 9 AM - 5 PM
- Initial Orientation: Sunday, May 19, 2024 (9 am – 5 pm)
- First Aid or Food handling training: May 25 – June 23 (TBD)

- HR trainings: June 24 – June 30 (TBD)
- Location: Valley Park Middle School, (Use a main door or door # 6 to enter the building)
- Address: 130 Overlea Blvd North York, ON M3C 1B2
- Programs are available across various Go Green Youth Centre locations, including Valley Park Middle School, Marc Garneau Collegiate Institute, and Thorncliffe Park Public School.

Application:

- Apply online under the Programs tab, Youth Employment.
- **Link:** <https://www.ggyc.ca/employment-job>
- We will only contact candidates who meet our comprehensive criteria and are selected for an interview and written test session, particularly for academic tutoring roles.
- Academic subject tutoring written test on Saturday, May 4, from 10 am to 4 pm.

Interview:

- Interviews will be held on May 3 – May 17, mainly on Saturday (TBA)
- Location: Valley Park Middle School (Use door 6, across TTC bus stop)
- Interview Timings: Saturdays, 10 am to 4 pm; Monday – Friday, 6 pm to 9 pm.
- Mandatory knowledge of written & oral basic tests before the interview.

Come join us at Go Green Youth Centre to empower youth through sports, recreation, and academic tutoring!

Job Title: Music & Dance

Job Overview:

The Music and Dance Instructor at Go Green Youth Centre fosters creativity and expression among youth through the art of music and dance. In this role, you'll lead sessions introducing students to various music genres and dance styles, aiming to develop their skills, confidence, and appreciation for the arts. This position requires talent, patience, a passion for teaching, and the ability to adapt lessons to suit a diverse range of ages and abilities.

Key Responsibilities:

- Developing and delivering engaging music and dance curricula that cater to students of various skill levels.
- Organizing and leading group rehearsals and performances to showcase student progress.
- Assess students' performances and provide constructive feedback to encourage growth and development.
- Collaborating with other instructors and staff to integrate music and dance activities with other camp programs.
- Creating a positive, inclusive environment that fosters creativity and builds student confidence.
- Ensuring the safety and well-being of students during all activities.
- Staying updated on current trends and techniques in music and dance education to enhance the program's offerings.

Requirements:

- Proven experience or strong skills in music and dance, with the ability to teach both.
- Excellent communication and interpersonal skills to engage and motivate students.
- Ability to design lesson plans that cater to various ages and skill levels.
- Patience and creativity in teaching methods.
- Flexibility to work with diverse students and adapt teaching approaches as needed.
- A background check may be required to work with children.
- Certification or training in music and dance education is preferred but not mandatory.

Job Title: Creative Arts & Crafts, **Eco-Arts**

Job Overview:

The Creative Arts & Crafts, Eco-Arts role at Go Green Youth Centre focuses on inspiring creativity and environmental awareness among children and teenagers. This position involves designing and leading art projects, encouraging students to explore various materials and techniques, and fostering a deep appreciation for sustainability and nature. Ideal candidates will bring innovative ideas to integrate eco-conscious practices into artmaking, promoting artistic expression and environmental stewardship. This role

aims to develop students' artistic skills and environmental ethics, creating a lasting impact on their relationship with the natural world.

Key Responsibilities:

- Developing and leading a curriculum that merges creative arts with eco-conscious themes.
- Sourcing environmentally friendly materials and promoting recycling and upcycling in art projects.
- Organizing and facilitating art workshops that educate students on the importance of environmental stewardship through creativity.
- Collaborating with staff to integrate eco-arts into broader educational programs, emphasizing the interconnectedness of art, environment, and community.
- Assessing and documenting student progress, providing feedback to enhance their artistic and ecological understanding.
- Creating a supportive and inclusive learning environment that encourages exploration and expression.

Requirements:

- Designing and leading engaging art projects and eco-friendly craft activities suitable for ages.
- Encouraging creativity and artistic expression among participants while educating them on environmental conservation.
- Manage and prepare all necessary materials and tools for each session.
- Fostering a supportive and inclusive environment, promoting student collaboration and respect.
- Integrating environmental themes into art projects, educating participants about sustainability, and caring for our planet.
- Assessing participant progress and providing constructive feedback to encourage development and growth.
- Coordinating with the program team to align activities with overall camp themes and objectives.

Job Title: Computer Programming, **Coding & Robotics**

Job Overview:

The role of a Computer Programming, Coding & Robotics instructor at Go Green Youth Centre is designed for individuals passionate about technology and education. In this position, you will lead workshops and classes focused on teaching students the fundamentals of computer programming, coding principles, and the basics of robotics. This role is pivotal in sparking an interest in STEM among youth and providing them with the skills necessary for future technological advancements. You'll have the opportunity to design interactive lessons that encourage problem-solving, logical thinking, and creativity in a supportive and engaging learning environment.

Key Responsibilities:

- Teach fundamental programming concepts and logic.
- Guide students through coding in various languages appropriate for their age and skill level (e.g., Scratch, Python, Java).
- Support students in developing their own coding projects.
- Keep abreast of the latest educational software and programming trends to incorporate into the learning experience.
- Design and deliver engaging lessons in fundamental programming concepts, prioritizing logical reasoning and problem-solving skills.
- Facilitate hands-on coding sessions in various programming languages tailored to students' age and abilities, including but not limited to Scratch for beginners, Python for intermediate learners, and Java for advanced students.
- Mentor students in developing personal or group coding projects, encouraging creativity and the application of learned programming skills.
- Continually update curriculum content to include the latest trends and software in educational technology and programming, ensuring students are exposed to current and relevant material.
- Foster a collaborative learning environment that encourages student experimentation, innovation, and shared learning.
- Assess student progress through practical and theoretical evaluations, providing constructive feedback to support continuous improvement.
- Organize and lead workshops or seminars on robotics, highlighting coding integration with mechanical design and execution.
- Act as a role model for curiosity and lifelong learning in computer science and robotics.

Requirements:

- Strong understanding of critical programming languages and concepts, including Scratch, Python, and Java.
- Ability to communicate complex programming concepts effectively in a student-friendly manner.

- Passion for technology and education, dedicated to student development.
 - Experience teaching or tutoring coding and robotics to students of varying age groups.
 - Familiarity with educational software and tools used in programming and robotics education.
 - Skill in creating engaging and interactive lessons tailored to students' learning styles and abilities.
 - Excellent communication and interpersonal skills for providing constructive feedback to students.
 - Enthusiasm for staying updated on the latest trends and advancements in programming and robotics.
 - Flexibility and adaptability to adjust teaching methods based on student progress and needs.
 - Prior experience in robotics design and execution is advantageous.
 - Commitment to fostering a positive, inclusive learning environment that encourages creativity, critical thinking, and collaboration.
-

Job Title: **Cooking & Nutrition**

Job Overview:

As a Cooking & Nutrition instructor at Go Green Youth Centre, you will have the exciting opportunity to teach children and teenagers the fundamentals of cooking and nutrition. You will empower students to develop essential culinary skills through engaging and interactive lessons while promoting healthy eating habits and nutritional awareness. This role involves creating dynamic cooking demonstrations, hands-on cooking sessions, and educational workshops that cater to students' varying ages and skill levels. By fostering a supportive learning environment, you will inspire students to explore the world of food, cultivate their creativity in the kitchen, and make informed choices for their well-being.

Key Responsibilities:

- Plan and execute cooking lessons emphasizing healthy eating habits, proper nutrition, and food safety practices.
- Teach students basic cooking techniques, including meal preparation, knife skills, and cooking methods such as baking, grilling, and sautéing.
- Introduce students to nutritious ingredients and recipes from diverse culinary traditions, catering to different dietary preferences and restrictions.

- Incorporate interactive activities and demonstrations to engage students in hands-on learning experiences in the kitchen.
- Foster an understanding of the nutritional value of different foods and the importance of balanced meals for overall health and well-being.
- Provide guidance on meal planning, grocery shopping, and budgeting to encourage responsible food choices and meal preparation outside of class.
- Collaborate with local nutritionists or chefs to enhance students' learning experiences and expose them to industry professionals.
- Create a supportive and inclusive learning environment that encourages experimentation, creativity, and a positive attitude toward cooking and nutrition.
- Assess students' progress and comprehension through practical cooking assignments, taste tests, and nutrition-related discussions.
- Stay informed about current research and nutrition and culinary arts education trends, continuously updating curriculum content to reflect best practices and emerging developments.

Requirements:

- **Culinary Experience:** Previous experience in cooking or culinary arts, including knowledge of basic cooking techniques and familiarity with various recipes and cuisines.
- **Nutrition Knowledge:** Understanding basic nutrition principles, including the nutritional value of different foods, dietary guidelines, and the importance of balanced meals.
- **Food Safety Certification:** A valid food handler's certificate or equivalent credential demonstrating knowledge of food safety practices and regulations is recommended.
- **Communication Skills:** Effective verbal communication skills to engage and instruct students in cooking classes and the ability to explain nutrition concepts clearly and concisely.
- **Organization and Planning:** I have strong organizational skills, so I can plan and prepare cooking lessons, create grocery lists, and coordinate class activities efficiently.
- **Patience and Empathy:** Ability to work with students of varying skill levels and dietary preferences, demonstrating patience, empathy, and the willingness to provide individualized support as needed.
- **Creativity and Adaptability:** A creative approach to developing new recipes and lesson plans, adapting to different kitchen environments, and accommodating diverse student needs.

- Passion for Teaching: Genuine enthusiasm for teaching cooking and nutrition concepts to youth and a commitment to fostering a positive and supportive learning environment.
 - Continuous Learning: A willingness to stay informed about current trends and developments in culinary arts and nutrition education and a dedication to ongoing professional development.
 - Background Check: Depending on the organization's policies and the role's nature, candidates may be required to undergo a criminal background check or provide references.
-

Job Title: **Digital Marketing/Photography/Videography**

Job Overview:

The Digital Marketing/Photography/Videography role at Go Green Youth Centre combines creativity and technical skills to capture and promote the organization's programs and events. This multifaceted position involves developing engaging digital content, including photography and videography, and implementing marketing strategies to increase visibility and engagement across various online platforms.

Key Responsibilities:

- Create visually compelling content, including photos and videos, to showcase youth programs, events, and success stories.
- Develop and execute digital marketing campaigns to promote Go Green Youth Centre's initiatives and attract new participants.
- Manage social media accounts and website content, ensuring regular updates with fresh and relevant material.
- Collaborate with program coordinators and staff to capture key moments and highlights during activities and events.
- Edit and post-process photos and videos to enhance quality and visual appeal, using editing software and tools as necessary.
- Monitor and analyze social media metrics and website analytics to track performance and identify areas for improvement.
- Stay informed about current trends and best practices in digital marketing, photography, and videography, and implement innovative strategies to engage the target audience.
- Assist in developing marketing materials, including flyers, posters, and promotional videos, to support program recruitment and fundraising efforts.

Requirements:

- Proficiency in photography and videography techniques, with a strong portfolio demonstrating creative skills and technical proficiency.
 - Experience with digital marketing platforms and tools, including social media management, email marketing, and analytics.
 - Excellent visual storytelling skills and the ability to convey compelling narratives through images and videos.
 - Proficient in photo and video editing software, such as Adobe Photoshop, Lightroom, Premiere Pro, or equivalent.
 - Strong communication skills, both written and verbal, with the ability to convey messages effectively across different channels and audiences.
 - Creative thinking, problem-solving abilities, and a keen eye for detail and aesthetics.
 - Ability to work collaboratively in a team environment and manage multiple projects simultaneously, meeting deadlines and delivering high-quality results.
 - Flexibility and adaptability to respond to changing priorities and requirements in a fast-paced environment.
 - Passion for youth development and community engagement, committed to promoting positive social change through digital media and marketing initiatives.
-

Job Title: Multi-Sport: **Basketball**

Job Overview:

As a Multi-Sport Instructor specializing in basketball at Go Green Youth Centre, you will play a vital role in fostering a love for the game and promoting physical fitness among Thorncliffe, Flemingdon Park, and neighbouring areas youth. This dynamic position involves teaching fundamental basketball skills, organizing drills and scrimmages, and fostering teamwork and sportsmanship in a fun and supportive environment.

Key Responsibilities:

- Plan and lead basketball sessions for youth participants, focusing on skill development, game strategies, and overall fitness.
- Organize and supervise basketball drills, exercises, and scrimmages to enhance players' technical abilities and game understanding.

- Teach fundamental basketball techniques, including shooting, dribbling, passing, and defence, catering to players of varying skill levels and ages.
- Promote teamwork, cooperation, and good sportsmanship among players, emphasizing the importance of fair play and respect for teammates and opponents.
- Provide constructive feedback and encouragement to players during training sessions and games, helping them to improve their skills and confidence.
- Ensure the safety and well-being of participants during basketball activities, adhering to all relevant safety guidelines and protocols.
- Collaborate with other coaches and staff to coordinate multi-sport events, tournaments, and special basketball-related activities.
- Serve as a positive role model and mentor for youth participants, inspiring them to pursue their athletic goals and adopt healthy lifestyle habits.

Requirements:

- Strong knowledge of basketball fundamentals, rules, and strategies, with previous playing or coaching experience preferred.
- Excellent communication and interpersonal skills, with the ability to effectively engage and motivate youth participants.
- Demonstrated leadership abilities and the capacity to work independently and as part of a team.
- Patience, enthusiasm, and a passion for working with young people committed to promoting physical activity and positive youth development.
- Basic first aid and CPR certification, or willingness to obtain certification before starting employment.
- Flexibility to work evenings and weekends, as required, to accommodate program schedules and special events.
- Understanding of and commitment to promoting diversity, equity, and inclusion within the sports program, fostering an inclusive and welcoming environment for all participants.

Job Title: Multi-Sport: **Soccer**

Job Overview:

As a multi-sports soccer coach at Go Green Youth Centre, you will have the exciting opportunity to introduce young athletes to the exhilarating world of soccer. You will lead

engaging sessions focusing on skill development, teamwork, and sportsmanship, fostering participants' love for the game. Your role will involve organizing drills, facilitating scrimmages, and providing guidance to help players improve their technique and understanding of the sport.

Key Responsibilities:

- Plan and execute soccer training sessions that cater to varying skill levels and ages.
- Teach fundamental soccer skills such as dribbling, passing, shooting, and defending.
- Promote teamwork, cooperation, and good sportsmanship among players.
- Provide constructive feedback and individualized coaching to help players improve their performance.
- Organize friendly matches, tournaments, or inter-squad scrimmages to enhance players' game experience.
- Ensure the safety and well-being of all participants during training sessions and matches.
- Collaborate with other coaches and staff to coordinate program activities and events.

Requirements:

- Previous experience playing soccer competitively or coaching at the youth level.
- Sound knowledge of soccer rules, strategies, and techniques.
- Excellent communication and interpersonal skills to engage effectively with players, parents, and fellow coaches.
- Ability to create a positive and inclusive environment that encourages skill development and enjoyment of the game.
- Passion for working with youth and fostering their growth and development through sports.
- Availability to work evenings and weekends as required by the program schedule.
- Current certification in CPR and First Aid (or willingness to obtain).

Job Title: Multi-Sport: **Volleyball**

Job Overview:

As a Multi-Sport Instructor specializing in volleyball at Go Green Youth Centre, you will have the exciting opportunity to introduce youth in Thorncliffe, Flemingdon Park, and surrounding areas to the exhilarating sport of volleyball. Your role will involve teaching fundamental volleyball skills, organizing drills and mini-games, and fostering teamwork and sportsmanship in a supportive and inclusive environment.

Key Responsibilities:

- Plan and deliver volleyball sessions for youth participants, focusing on skill development, game strategies, and overall fitness.
- Conduct warm-up exercises, drills, and structured activities to enhance players' volleyball proficiency, including serving, passing, setting, hitting, and blocking.
- Provide instruction on volleyball rules, techniques, and game tactics, adapting coaching strategies to accommodate players of varying skill levels and ages.
- Facilitate mini-games, scrimmages, and friendly competitions to reinforce learning and allow players to apply their skills in a game-like setting.
- Emphasize the importance of teamwork, communication, and sportsmanship, encouraging players to support and respect each other both on and off the court.
- Offer constructive feedback and encouragement to players during training sessions and games, fostering a positive and encouraging learning environment.
- Ensure the safety and well-being of participants during volleyball activities, always implementing appropriate safety measures and protocols.
- Collaborate with fellow coaches and staff members to coordinate multi-sport events, tournaments, and special volleyball-related activities for youth participants.

Requirements:

- Solid understanding of volleyball fundamentals, rules, and strategies, with previous playing or coaching experience preferred.
- Effective communication and interpersonal skills, with the ability to engage and motivate youth participants of diverse backgrounds and abilities.
- Demonstrated leadership qualities and the ability to work collaboratively as part of a team.
- Enthusiasm for working with young people and a genuine passion for promoting physical activity and healthy lifestyles.
- Basic first aid and CPR certification, or willingness to obtain certification before starting employment.
- Flexibility to work evenings and weekends, as needed, to accommodate program schedules and special events.

- Commitment to creating an inclusive and welcoming environment for all participants, regardless of skill level or experience, and to upholding principles of diversity, equity, and inclusion in all aspects of program delivery.
-

Job Title: Multi-Sport: **Table Tennis**

Job Overview:

As a multi-sports instructor specializing in table tennis at Go Green Youth Centre, you will have the exciting opportunity to introduce youth in Thorncliffe, Flemingdon Park, and surrounding areas to the fast-paced and strategic sport of table tennis. Your role will involve teaching fundamental table tennis skills, organizing practice sessions and friendly matches, and promoting sportsmanship and camaraderie among participants in a fun and supportive environment.

Key Responsibilities:

- Plan and lead table tennis sessions for youth participants, focusing on developing fundamental skills such as grip, stance, footwork, strokes, and serves.
- Provide instruction on table tennis rules, techniques, and strategies, tailoring coaching approaches to accommodate players of varying skill levels and ages.
- Organize drills, games, and structured activities to improve players' agility, coordination, reaction time, and overall proficiency in table tennis.
- Facilitate friendly matches and mini tournaments to allow participants to apply their skills in a competitive yet supportive setting, promoting fair play and good sportsmanship.
- Offer constructive feedback and encouragement to players during practice sessions and matches, helping them identify areas for improvement and celebrate their successes.
- Emphasize the importance of teamwork, respect, and perseverance, fostering a positive and inclusive atmosphere where all participants feel valued and supported.
- Ensure the safety and well-being of participants during table tennis activities, enforcing safety rules and protocols to prevent accidents or injuries.
- Collaborate with fellow coaches and staff members to coordinate multi-sport events, tournaments, and exceptional table tennis-related activities for youth participants.

Requirements:

- Strong understanding of table tennis fundamentals, rules, and techniques, with previous playing or coaching experience preferred.
 - Excellent communication and interpersonal skills, with the ability to engage and motivate youth participants from diverse backgrounds and skill levels.
 - Demonstrated leadership abilities and the capacity to work effectively as part of a team.
 - Genuine enthusiasm for working with young people and a passion for promoting physical activity and healthy lifestyles.
 - Basic first aid and CPR certification, or willingness to obtain certification before starting employment.
 - Flexibility to work evenings and weekends, as required, to accommodate program schedules and special events.
 - Commitment to creating an inclusive and welcoming environment for all participants, regardless of their experience or ability, and upholding principles of diversity, equity, and inclusion in program delivery.
-

Job Title: **Cricket**

Job Overview:

As a Cricket instructor at Go Green Youth Centre, you will play a pivotal role in introducing youth to the exciting world of cricket. You'll have the opportunity to teach fundamental skills, rules, and strategies while fostering teamwork, sportsmanship, and a love for the sport.

Key Responsibilities:

- Lead cricket coaching sessions for youth aged 7 to 18, focusing on skill development, game tactics, and overall game understanding.
- Organize practice sessions that include drills, scrimmages, and simulated game situations to enhance players' abilities.
- Provide constructive feedback and encouragement to players to help them improve their performance and confidence.
- Ensure a safe and inclusive environment for all participants, emphasizing fair play and respect for teammates, opponents, and coaches.
- Coordinate with other staff members to plan and execute cricket-related events, such as tournaments, friendly matches, and community outreach programs.

Requirements:

- Proficiency in playing cricket, with a strong understanding of the game's rules, techniques, and strategies.
 - Previous experience coaching or mentoring youth in cricket or a similar sport is preferred.
 - Excellent communication and interpersonal skills to effectively engage with players of diverse ages, backgrounds, and skill levels.
 - Ability to efficiently organize and manage training sessions, competitions, and events.
 - Commitment to promoting teamwork, sportsmanship, and personal development through cricket.
 - Valid certification in First Aid and CPR (preferred but not mandatory).
-

Job Title: Academic Tutoring: **Maths**

Job Overview:

Join our team as an Academic Tutor specializing in Mathematics, where you'll have the opportunity to guide and inspire students in their mathematical journey. In this role, you'll work closely with students aged 7 to 18, helping them develop a strong foundation in mathematical concepts and problem-solving skills. You'll empower students to excel in mathematics and achieve their academic goals through personalized instruction and support.

Key Responsibilities:

- Provide personalized tutoring sessions to students in various mathematical topics, including arithmetic, algebra, geometry, trigonometry, and calculus.
- Assess students' strengths and weaknesses in mathematics and develop tailored lesson plans to address their needs.
- Explain complex mathematical concepts clearly and understandably, using examples and real-life applications to enhance comprehension.
- Assist students with homework assignments, projects, and exam preparation, offering guidance and feedback to facilitate learning.

- Foster a positive and supportive learning environment where students feel comfortable asking questions, making mistakes, and exploring mathematical concepts.
- Monitor students' progress and track their academic performance, adjusting teaching strategies as needed to ensure their ongoing success.
- Collaborate with parents, teachers, and other stakeholders to support students' academic development and address any concerns or challenges they may encounter.

Requirements:

- Proficiency in mathematics, Education, or a related field.
- Strong proficiency in mathematical concepts across various levels, from elementary to advanced.
- Previous tutoring or teaching experience in mathematics preferred.
- Excellent communication and interpersonal skills, with the ability to connect with students of different ages and backgrounds.
- Patient, empathetic, and enthusiastic about helping students succeed in mathematics.
- Ability to adapt teaching methods to accommodate diverse learning styles and abilities.
- Commitment to maintaining a positive and inclusive learning environment for all students.
- Reliable and punctual, with a passion for education and a desire to make a difference in students' lives.

Job Title: Academic Tutoring: **ESL/English**

Job Overview:

Join our team as an Academic Tutor specializing in English as a Second Language (ESL). In this role, you'll play a vital role in helping students improve their English language proficiency. You'll work with students of diverse backgrounds and skill levels, providing tailored instruction to enhance their speaking, listening, reading, and writing skills. Creating a supportive and engaging learning environment empowers students to communicate effectively in English and achieve academic success.

Key Responsibilities:

- Conduct language assessments to determine students' English proficiency levels and identify areas for improvement.
- Develop customized lesson plans and learning materials based on students' needs, focusing on grammar, vocabulary, pronunciation, and fluency.
- Provide one-on-one or small group tutoring sessions to address students' specific language challenges and help them build confidence in their English abilities.
- Engage students in interactive activities, discussions, and exercises to strengthen their language skills and cultural awareness.
- Assist students with homework assignments, essays, and other written tasks, offering guidance and feedback to enhance their language proficiency.
- Incorporate technology and multimedia resources into lessons to enhance learning outcomes and keep students engaged.
- Monitor students' progress and track their language development over time, adjusting teaching strategies as needed to support their ongoing improvement.
- Communicate regularly with students, parents, and other stakeholders to provide updates on progress and address any concerns or questions.

Requirements:

- Proficiency in English, Linguistics, Education, or a related field.
- Proficiency in English language teaching methodologies and techniques, with a strong understanding of language acquisition principles.
- Excellent communication and interpersonal skills, with the ability to connect with students from diverse cultural and linguistic backgrounds.
- Patient, empathetic, and culturally sensitive, passionate about helping non-native English speakers succeed.
- Flexible and adaptable, with the ability to tailor instruction to meet students' individual learning styles and needs.
- Reliable and committed to providing high-quality instruction and support to ESL students.
- Willingness to undergo additional training or professional development to enhance teaching skills and stay current with best practices in ESL education.

Job Title: Academic Tutoring, Science: **Biology**

Job Overview:

Become a Biology Tutor and help students unlock the wonders of the natural world. In this role, you'll provide personalized tutoring to students seeking to deepen their

understanding of biology concepts and excel in their science studies. Whether dissecting frogs or exploring cellular biology, you'll guide students through life sciences, fostering curiosity, critical thinking, and a love for learning.

Key Responsibilities:

- Deliver engaging and interactive tutoring sessions that cover a range of biology topics, including genetics, ecology, physiology, and evolution.
- Clarify complex biological concepts and theories, using real-world examples and practical applications to make them accessible to students.
- Assist students with homework assignments, laboratory reports, and exam preparation, offering guidance and feedback to help them master course materials.
- Facilitate hands-on learning experiences, such as laboratory experiments or field trips, to reinforce classroom instruction and enhance understanding of biological principles.
- Encourage students to ask questions, explore their scientific curiosity, and develop critical thinking skills through inquiry-based learning activities.
- Utilize multimedia resources, educational technology, and interactive simulations to enhance teaching effectiveness and student engagement.
- Monitor student progress, assess learning outcomes, and provide constructive feedback to support continuous improvement and academic success.
- Collaborate with classroom teachers, parents, and other stakeholders to identify student needs, set learning goals, and develop personalized learning plans.

Requirements:

- Proficiency in Biology, Life Sciences, or a related field.
- Strong knowledge of biology concepts and principles, with expertise in cell biology, genetics, and ecology.
- Previous tutoring or teaching experience in biology, either in a classroom or one-on-one setting, is highly desirable.
- Excellent communication and interpersonal skills, with the ability to explain complex concepts clearly and engage students effectively.
- Passion for science education and a genuine desire to inspire curiosity, critical thinking, and a love for learning in students.
- Patience, empathy, and the ability to adapt teaching strategies to meet students' diverse needs and learning styles.
- Commitment to upholding high academic integrity, professionalism, and ethical conduct in all tutoring interactions.

- Willingness to undergo background checks and other screening requirements mandated by the organization or regulatory authorities.
-

Job Title: Academic Tutoring, Science: **Chemistry**

Job Overview:

Join our team as a Chemistry Tutor and ignite a passion for the wonders of chemistry in students of all ages. In this role, you'll guide students through the fascinating world of chemical reactions, atomic structures, and the periodic table, fostering critical thinking skills and a deep understanding of scientific principles. Whether it's balancing chemical equations or conducting experiments in the laboratory, you'll inspire students to explore and appreciate the complexities of the chemical world.

Key Responsibilities:

- Conduct personalized tutoring sessions covering various chemistry topics, including chemical bonding, stoichiometry, thermodynamics, and organic chemistry.
- Explain complex chemical concepts in easily understandable terms, using visual aids, analogies, and real-life examples to enhance student comprehension.
- Assist students with homework assignments, lab reports, and exam preparation, providing guidance, feedback, and support to help them succeed academically.
- Facilitate hands-on laboratory experiments and demonstrations, allowing students to apply theoretical knowledge and develop practical laboratory skills.
- Encourage student engagement and participation through interactive learning activities, discussions, and problem-solving exercises.
- Use technology and multimedia resources to enhance teaching effectiveness and engage students in virtual learning environments.
- Monitor student progress, assess learning outcomes, and adjust teaching strategies to address individual learning needs and promote academic growth.
- Collaborate with classroom teachers, parents, and other stakeholders to coordinate tutoring efforts, align curriculum objectives, and support student learning goals.

Requirements:

- Proficiency in Chemistry, Chemical Engineering, or a related field.

- Strong understanding of chemistry principles and concepts, with expertise in chemical reactions, atomic structure, and chemical kinetics.
 - Previous tutoring or teaching experience in chemistry, either in a classroom or one-on-one setting, is advantageous.
 - Excellent communication and interpersonal skills, with the ability to convey complex ideas clearly and engage students effectively.
 - Passion for science education and a genuine enthusiasm for inspiring curiosity, critical thinking, and a love for learning in students.
 - Patience, empathy, and the ability to tailor teaching methods to accommodate diverse learning styles and individual student needs.
 - Commitment to maintaining high academic integrity, professionalism, and ethical conduct in all tutoring interactions.
 - Willingness to undergo background checks and other screening requirements mandated by the organization or regulatory authorities.
-

Job Title: Academic Tutoring, Science: **Physics**

Job Overview:

Embark on a rewarding journey as a Physics Tutor and inspire students to unravel the mysteries of the universe through the lens of physics. As a dedicated tutor, you'll guide students in exploring fundamental concepts such as mechanics, electromagnetism, thermodynamics, and quantum physics. Through engaging lessons, hands-on experiments, and personalized instruction, you'll foster a deep appreciation for the laws of nature and empower students to excel in their academic pursuits.

Key Responsibilities:

- Conduct tailored tutoring sessions covering various topics in physics, including kinematics, dynamics, electricity and magnetism, optics, and modern physics.
- Explain complex physics principles in digestible terms, employing interactive demonstrations, simulations, and real-world applications to enhance student understanding.
- Assist students in solving physics problems, analyzing data, and mastering problem-solving strategies to tackle challenging physics concepts.
- Provide guidance and feedback on homework assignments, lab reports, and exam preparation, helping students build confidence and achieve academic success.

- Facilitate hands-on laboratory experiments and activities, allowing students to explore scientific phenomena firsthand and develop critical laboratory skills.
- Foster a collaborative and interactive learning environment, encouraging student participation, discussion, and inquiry-based learning.
- Utilize technology and multimedia resources effectively to supplement teaching materials and engage students in virtual learning experiences.
- Assess student progress, track learning outcomes, and adjust teaching methods to accommodate individual learning styles and address learning gaps.

Requirements:

- Proficiency in Physics, Applied Physics, Engineering Physics, or a related field.
- Proficiency in fundamental physics principles and concepts, with expertise in classical mechanics, electromagnetism, and thermodynamics.
- Prior experience tutoring or teaching physics at the high school or college level is desirable.
- Strong communication skills, conveying complex ideas clearly and facilitating meaningful discussions.
- Passion for physics education and a genuine enthusiasm for igniting curiosity and fostering a love for science in students.
- Patient, empathetic, and adaptable teaching style, with the ability to tailor instruction to meet individual students' diverse needs and learning styles.
- Commitment to upholding academic integrity, professionalism, and ethical conduct in all tutoring interactions.
- Willingness to undergo background checks and adhere to any screening requirements mandated by the organization or regulatory authorities.

Each tutor must undergo a knowledge test before the interview to ensure they have the competency in their chosen subject area. Furthermore, tutors should possess excellent communication skills, adaptability, and a desire to inspire and motivate young learners.
